Dear Mr.Simon

I just received your email from Mr.Simon

Your problem is your report hasn't printed because

1. Data is null or hasn't information
2. Maybe Networking disconnected

So , I have solving

1. Trying check your networks and co-op to administration officer
2. Trying check your data and co-op to administration officer
3. Trying key new report and trying check data again is null or not

If you tried to 3 solving in this weekend I'm sending my teams support you

I help we co-operation to gathering

Best regards
